

Genius Variety Show: From Genius to Profit

each individual has genius qualities that are his/her unique contribution to the WORLD.
Life is a refining art of awareness and making active decisions

Genius Profit Process

- Persistence** developing genius with and without money
- Following Passions** going with the energy of things I love
- Letting go** walking away from things that are not serving genius

Life is a tapestry. All the pieces make the individual a masterpiece. Conscious choices bring all the pieces together. Sometimes the old pieces in a new way that serves genius.

The Profit Wonder Question
What genius do I have that will turn my genius directly into profit?
* Stay in the fun/inspiration of the genius qualities
Wonder opens space for genius to be expressed

genius includes both fun and challenging qualities and abilities within us. Both are needed to dig in and develop roots in life.
