Bringing **UNIQUENESS** to a Task

Genius is the unique way
an individual does a common
task that sets the individual
apart from other people

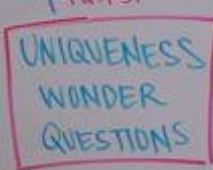

the Power of TRANCE

- greater access to the subconscious
- ability to train the mind to focus on what an individual wants to create
- recessive state allows for accepting new expanded ideas w/ less resistance
- opens the whole mind

What is unique about what I do?
What is unique about how I do everyday tasks?
What is unique about ME?
What is unique about how I think?
What is unique about how I do life?
